

# Myriad financial assistance criteria

Myriad offers financial assistance to patients who meet specific financial and medical criteria. Due to regulatory limitations, patients who are recipients of government-funded programs (e.g., Medicaid\*, Medicare, Medicare-Advantage, TriCare) are not eligible to apply. Please refer to the specific program documentation (program for uninsured patients or program for underinsured patients) for other eligibility requirements.

A separate Myriad Assistance Program Application is required. The financial criteria below are for informational purposes only. This document does not need to be included with your application submission.
